

## We Loved Seeing You All!

We're delighted to report that our first Open House was an unqualified success - our best guess is that attendees numbered over 600! A number of you brought your own cool cars to share, we saw folks we hadn't seen in a while and conversations went on well past closing time. It was all we'd hoped for and more!

We just wanted to thank you for coming out, to announce the door prize winners and to share some photos from the event itself.
