

Dear Automotive Friends...

Well, we're formally in the latter half of the summer driving season. September's already here and Halloween is around the corner! Let's get you caught up on sundry goings-on...

Happenings Here at Zakira's Garage

Zakira's is very excited to offer climate-controlled vehicle storage options for our customers. Whether you need seasonal or year-round storage, we have indoor, high security, access-controlled options to meet your needs. We also provide many a la carte services to customize a solution perfect for your specific situation. Give us a call ([513-272-2229](tel:513-272-2229)) or email us at info@zakiras.com for details.

Website Update

Yes, the rumors are true. We're finally updating our website from the original 1872 format to a brand new look and feel. Hopefully you'll like it as much as we do and it'll give you a much better understanding of what it is we do here at the shop. You'll be able to see exactly who it is you talk with on the phone as well as have a good look at our fabrication, engine and machine shop areas. We're planning for a soft launch date sometime in late September, early October.

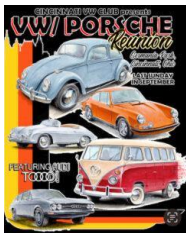

August Cars 'n Coffee

We were SO excited to have held or participated in a 2023 event that wasn't besieged by inclement weather; all our previous events this year had rain diluting much of the fun. In fact, our July *Cars 'n Coffee* suffered through a brief bout of hail! (I know y'all are saying "Hail, no" but yes, it actually hailed!). Thankfully our August *Cars 'n Coffee* featured no unpleasant meteorological events whatsoever – just sun and warmth!! Turnout was great, car lovers were galore and we had some great cars show up. Photos can be found on our Instagram and Facebook pages. And a huge shout out to Mad Llama in Madisonville for providing tasty fuel for the event!

Note to all – the next *Cars 'n Coffee* will be held on **September 16, 9-11AM**. We're happy to announce that there'll be a drawing for a detail kit and model car along with a bunch of other free "stuff."

Late Summer Events

VW & Porsche Reunion

Come see us at the **32nd Volkswagen / Porsche / Audi Reunion** on **September 23-24** at **Germania Park**. We're happy to be at the Reunion since a primary focus for the shop is Porsche sports cars. Stop by our booth, say hi and see our two featured cars. We'll be looking for you!

Zakira's Fall Open House

This year's *Fall Open House* will be combined with our final 2023 *Cars 'n Coffee* event on **October 21, 10AM-3PM**. We've ordered sunshine and balmy weather - so come one, come all. We'll have a drawing for some cool automotive goodies, e.g., a really nice multitool, a high quality metal hole cutter kit and more! Food and beverages will be available for purchase. Cars will be available for viewing. The shop will be available for checking out. Existing friends will be available for visiting. And new friends will be available for making. Further details will be provided in our next newsletter. As a powerful incentive for you to visit, free coffee will available while supplies last. Keep an eye on our Instagram and Facebook pages for details.

The Final Pylon...

How many trips did you take in your sports car, truck or wagon? Did you find new destinations? New campgrounds? Serene country byways? Serpentine mountain roads? Make new friends? Let us know - we'd love to hear! We've got a few months left of cruising so get out there – seize the day! And keep the rubber side down!
