

Wrapping Up The 2023 Driving Season

It's been a great year - festivals and car events, country drives and road trips! Cincinnati trees are putting on an incredibly beautiful show this fall. Today is Halloween and Thanksgiving is just around the bend! And, so so sadly, another driving season now draws to a close as we give our steeds a final polish before stowing them away for the winter. Somehow this year seems to have gone faster than usual!

Hopefully all of you got some good trips under your collective belts, saw some amazing sights and made some good friends.

Thanks For An Awesome Open House!

Thank you to everyone who made it out to our 2023 Fall Open House! Without you, there is no us! As you can see from the photos, the weather was perfect. We're guessing over 200 cars and 400 attendees made their way through the Open House. Woot woot!!

Congratulations to our two "guess how much is in the jar" prize winners!

Chili, Anyone?

Zakira's Garage is planning a new event - a car club-specific chili cook-off on **January 13, 2024**. The general public will not be invited; this event is intended to promote car clubs

and introduce enthusiasts who might not otherwise have a chance to meet. We want people to come, enjoy themselves and have some really great food. 5-Alarm, 2-Alarm, vegetarian – we will try them all! Have an award winning recipe? We want to try it!! A dessert category is included....cuz who doesn't have a sweet tooth?

Entry space is limited, please email jenn@zakiras.com by **November 30, 2023** to sign your club up. Stay tuned - more details shall be forthcoming!
