"I am a big car enthusiast. I totally understand guys like Jay Leno who have a thousand cars. But asking me my favorite car would be like asking my favorite song or favorite food — it changes every day."

Get Ready for the 2025 Chili Cook-Off!

We're bringing back the heat on **January 25th, 2025!** Last year's chili cook-off was a hit, and we're thrilled to announce it's returning for 2025. Here's how it works: we'll have four chili categories and one dessert category, open to Car Clubs and five individual entries (for those not in a club).

Each club can submit up to four chili entries and two dessert entries, while individual participants may enter either one chili or one dessert.

An “expert” panel of Zakira’s Judges will taste each entry and crown the winners, who will receive hand-crafted trophies made by Zakira’s—plus, maybe, a roll of Tums. And to keep the excitement rolling, we’ll be streaming the Rolex 24 Hours of Daytona race throughout the event.

For details and to sign up, email us at jenn@zakiras.com. Entries are open until December 27th or until all spots are filled. Don’t miss out on the action!
